Financial Institutions Excess Insurance Policy

In consideration of the payment of the premium and in reliance on all statements made and information furnished to the Company providing this insurance as indicated on the Declarations (hereinafter called the "Insurer"), and to the issuers of the "Underlying Insurance", all of which are made a part hereof, and subject to all of the provisions of this Policy, the "Insurer" and the "Insured(s)" agree as follows:

I. INSURING AGREEMENT

The "Insurer" shall provide the "Insured(s)" with excess insurance coverage over the "Underlying Insurance" as set forth in Item 3. of the Declarations during the "Policy Period" set forth in Item 4. of the Declarations. Coverage hereunder shall attach only after all such "Underlying Insurance" has been reduced or exhausted by payments for losses and shall then apply in conformance with the same provisions, limitations, conditions and warranties of the "Primary Policy" at inception, except for premium, limit of liability and as otherwise specifically set forth in the provisions of this Policy. In no event shall coverage under this Policy be broader than coverage under any "Underlying Insurance".

II. POLICY DEFINITIONS

- A. "Named Entity" means the organization named in Item 1. of the Declarations.
- B. "Insured(s)" means the "Named Entity" and those persons or organization(s) insured under the "Primary Policy", at its inception.
- C. "Policy Period" means the period from the effective date and hour of this Policy as set forth in Item 4. of the Declarations, to the Policy expiration date and hour set forth in Item 4. of the Declarations, or its earlier cancellation date or termination date, if any.
- D. "Primary Policy" means the policy scheduled in Item 3. (A) of the Declarations.
- E. "Pollutants" mean any substance located anywhere in the world exhibiting any hazardous characteristics as defined by, or identified on a list of hazardous substances issued by, the United States Environmental Protection Agency or a state, county, municipality or locality counterpart thereof. Such substances shall include, without limitation, solids, liquids, gaseous or thermal irritants, contaminants or smoke, vapor, soot, fumes, acids, alkalis, chemicals or waste materials. "Pollutants" shall also mean any other air emission, odor, waste water, oil or oil products, infectious or medical waste, asbestos or asbestos products and noise.
- F. "Underlying Insurance" means all those policies scheduled in Item 3. of the Declarations. Such policies may include, but are not limited to, policies written on a claims made or reported basis or bonds written on a discovery basis.

III. MAINTENANCE OF "UNDERLYING INSURANCE"

All of the "Underlying Insurance" schedule in Item 3. of the Declarations shall be maintained during the "Policy Period" in full effect, except for any reduction of the aggregate limit(s) of liability available under the "Underlying Insurance" solely by reason of payment of loss thereunder. Failure to comply with the foregoing shall not invalidate this Policy but the "Insurer" shall not be liable to a greater extent than if this condition had been complied with. To the extent that any "Underlying Insurance" is not maintained in full effect during the currency of this "Policy Period", then the "Insured(s)" shall be deemed to have retained any loss for the amount of the limit of liability of any "Underlying Insurance" which is not maintained as set forth above.

In the event of a change to any "Underlying Insurance" by rewrite, endorsement or otherwise, coverage under this Policy shall become subject to such change only if and to the extent the "Insurer's" consent to such change is endorsed in writing on or to this Policy. If such consent is not endorsed in writing on or to this Policy, the "Insurer" shall not be liable to a greater extent than it would have been in the absence of such change to the "Underlying Insurance".

It is further a condition of this Policy that the "Insurer" shall be notified in writing as soon as practicable of cancellation of any of the policies of "Underlying Insurance".

NOTICE: THESE POLICY FORMS AND THE APPLICABLE RATES ARE EXEMPT FROM THE FILING REQUIREMENTS OF THE NEW YORK STATE INSURANCE DEPARTMENT. HOWEVER, SUCH FORMS AND RATES MUST MEET THE MINIMUM STANDARDS OF THE NEW YORK INSURANCE DEPARTMENT.

In the event of any actual or alleged (a) failure by the "Insured(s)" to give notice or to exercise any extensions under any "Underlying Insurance" or (b) misrepresentation or breach of warranties by any of the "Insured(s)" with respect to any "Underlying Insurance", the "Insurer" shall not be liable hereunder to a greater extent than it would have been in the absence of such actual or alleged failure, misrepresentation or breach.

IV. LIMIT OF LIABILITY

The amount of set forth in Item 2. of the Declarations shall be the maximum aggregate Limit of Liability of the "Insurer" and, shall be the maximum amount payable under this Policy for all loss or damages resulting from all claims or losses discovered during the "Policy Period".

Costs of defense shall be part of and not in addition to the Limit of Liability in Item 2. of the Declarations, and such costs of defense shall reduce the Limit of Liability stated in Item 2. of the Declarations.

V. DEPLETION OF UNDERLYING LIMIT(S)

In the event of the depletion of the limit(s) of liability of the "Underlying Insurance" solely as a result of actual payment of loss thereunder by the applicable insurers, this Policy shall, subject to the "Insurer's" Limit of Liability and to the other terms of this Policy, continue to apply to loss as excess insurance over the amount of insurance remaining under such "Underlying Insurance". In the event of the exhaustion of all of the limit(s) of liability of such "Underlying Insurance" solely as a result of payment of loss thereunder, the remaining limits available under this Policy shall, subject to the "Insurer's" Limit of Liability and to the other provisions of this Policy, continue for subsequent loss as primary insurance, and any retention specified in the "Primary Policy" shall be imposed under this Policy as to each claim made; otherwise no retention shall be imposed under this Policy.

This Policy only provides coverage excess of the "Underlying Insurance". This policy does not provide coverage for any loss not covered by the "Underlying Insurance" except and to the extent that such loss is not paid under the "Underlying Insurance" solely by reason of the reduction or exhaustion of the available "Underlying Insurance" through payments of loss thereunder. In the event the insurer of one or more of the "Underlying Insurance" policies fails to pay loss in connection with any claim covered under the "Underlying Insurance" as a result of the insolvency, bankruptcy, or liquidation of said insurer, then the "Insured(s)" hereunder shall be deemed to have retained any loss for the amount of the limit of liability of said insurer which is not paid as a result of such insolvency, bankruptcy or liquidation.

If any "Underlying Insurance" bears an effective date which is prior to the effective date of this Policy and if any such insurance becomes exhausted or impaired by payment of loss with respect to any claim which shall be deemed to be made prior to the effective date of this Policy, then with respect to any claim made after the effective date of this Policy, the "Insured(s)" hereunder shall be deemed to have retained any loss for the amount of any such "Underlying Insurance" which is exhausted or impaired by payment of loss with respect to such claim made prior to the effective date of this Policy.

VI. CLAIM PARTICIPATION

The "Insured(s)" shall not admit liability, consent to any judgment, or agree to any settlement which is reasonably likely to involve the Limit of Liability of this Policy without the "Insurer's" consent, such consent not to be unreasonably withheld.

The "Insurer" may, at its sole discretion, elect to participate in the investigation, settlement or defense of any claim against any of the "Insured(s)" for matter covered by this Policy even if the "Underlying Insurance" has not been exhausted. If the "Insurer" elects to so participate, the "Insured" shall fully cooperate with the "Insurer".

All provisions of the "Underlying Insurance" are considered as part of this Policy except that it shall be the duty of the "Insured(s)" and not the duty of the "Insurer" to defend any claims against any of the "Insured(s)".

VII. SUBROGATION - RECOVERIES

In that this Policy is excess insurance coverage over the "Underlying Insurance", the "Insured(s)" and the "Insurer's" right of recovery against any person or other entity may not be exclusively subrogated. Despite the foregoing, in the event of any payment under this Policy, the "Insurer" shall be subrogated to all the "Insured's(s)" rights of recovery against any person or organization, and the "Insured(s)" shall execute and deliver instruments and papers and do whatever else is necessary to secure such rights.

Any amounts recovered after payment of loss hereunder shall be apportioned in the inverse order of payment to the extent of actual payment. The expenses of all such recovery proceedings shall be apportioned in the ratio of respective recoveries.

NOTICE: THESE POLICY FORMS AND THE APPLICABLE RATES ARE EXEMPT FROM THE FILING REQUIREMENTS OF THE NEW YORK STATE INSURANCE DEPARTMENT. HOWEVER, SUCH FORMS AND RATES MUST MEET THE MINIMUM STANDARDS OF THE NEW YORK INSURANCE DEPARTMENT.

VIII. NOTICE

Notice regarding (a) and (b) above shall be given to: Zurich American Insurance Company, One Liberty Plaza, 30th Floor, New York, New York 10006, Attention: Diversified Financial Institutions Department.

The "Insurer" shall be given notice as soon as is practicable of any claim or any situation that could give rise to a claim under any "Underlying Insurance" when the "Insured" reasonably believes that such claim or situation is likely to result in loss or damages that exceed twenty-five percent (25%) of the sum of the "Underlying Limits" and any retention specified in the "Primary Policy". Notice of any claim to the "Insurer" shall be given in writing to: Zurich American Insurance Company, P.O. Box 307010, Jamaica, New York 11430-7010, Attention: Diversified Financial Institutions Claims Department.

IX. COMPANY AUTHORIZATION CLAUSE

X. ALTERATION

No change in or modification of this Policy shall be effective except when made by endorsement signed by an authorized employee of the "Insurer" or any of its agents relating to this Policy.

XI. EXCLUSIONS

Notwithstanding any provisions of the "Underlying Insurance", the "Insurer" shall not be liable to make payment for loss in connection with any claim based upon, arising out of, directly or indirectly resulting from, or in consequence of, or in any way involving:

1. The actual, alleged or threatened discharge, release, escape, seepage, migration or disposal of "Pollutants" into or on real or personal property, water or the atmosphere, or
2. Any direction or request that any "Insured(s)" test for, monitor, clean up, remove, contain, treat, detoxify or neutralize "Pollutants", or any voluntary decision to do so.

XII. CONDITIONS

No action shall be taken against the "Insurer" unless, as a condition precedent, there shall have been full compliance with all the provisions of this Policy, nor until the amount of the "Insured's(s)" obligation to pay shall have been finally determined either by final and nonappealable judgment against the "Insured's(s)" after trial, or by written agreement of the "Insured(s)", the claimant and the "Insurer".

XIII. POLICY TERMINATION

This Policy shall terminate at the earliest of the following times:

1. The effective date of termination specified in written prior notice by the "Named Entity" to the "Insurer",
2. Upon expiration of the "Policy Period" as set forth in Item 4. of the Declarations,
3. Ten (10) days after receipt by the "Named Entity" of a written notice of termination from the "Insurer" for failure to pay a premium when due, or
4. At such time as may be agreed upon by the "Insurer" and the "Named Entity".

The "Insurer" shall refund the unearned premium computed at customary short rate if the Policy is terminated by the "Named Entity". Under any other circumstances the refund shall be computed pro rata.

This endorsement modifies insurance provided under the:

Financial Institutions Excess Insurance Policy

It is hereby understood and agreed:

1. Section I, Insuring Clause, is amended to read in its entirety as follows:

The "Insurer" shall provide the "Insured(s)" with excess insurance coverage over the "Underlying Insurance" as set forth in Item 3. of the Declarations during the "Policy Period" set forth in Item 4. Coverage hereunder shall attach only after:

- a. all such "Underlying Insurance" shall have been reduced or exhausted by payments for losses in legal currency., and/or
- b. the "Insureds", pursuant to a Limit Reduction Agreement (as defined below) with the insurer(s) of the "Underlying Insurance", shall have paid losses in legal currency equal to the liability limit of the "Underlying Insurance".

Except as otherwise provided herein, coverage under this policy shall then apply in conformance with and subject to the warranties, limitations, conditions, provisions, and other terms of the "Primary Policy" as in effect the first day of the "Policy Period", together with the warranties and limitations of any other "Underlying Insurance". In no event shall coverage under this policy be broader than coverage under any "Underlying Insurance".

2. Subsection V., Depletion of Underlying Limit(s), is deleted in its entirety and replaced with the following:

V. DEPLETION OF UNDERLYING LIMIT(S)

In the event of the depletion of the limit(s) of liability of the "Underlying Insurance" solely as a result of actual payment of loss thereunder by the applicable insurers, this Policy shall, subject to the "Insurer's" Limit of Liability and to the other terms of this Policy, continue to apply to loss as excess insurance over the amount of insurance remaining under such "Underlying Insurance". In the event of the exhaustion of all of the limit(s) of liability of such "Underlying Insurance" solely as a result of payment of loss thereunder, the remaining limits available under this Policy shall, subject to the "Insurer's" Limit of Liability and to the other provisions of this Policy, continue for subsequent loss as primary insurance, and any retention specified in the "Primary Policy" shall be imposed under this Policy as to each claim made; otherwise no retention shall be imposed under this Policy.

This Policy only provides coverage excess of the "Underlying Insurance". This policy does not provide coverage for any loss not covered by the "Underlying Insurance" except and to the extent that such loss is not paid under the "Underlying Insurance" solely by reason of the reduction or exhaustion of the available "Underlying Insurance" through payments of loss thereunder. In the event the insurer of one or more of the "Underlying Insurance" policies fails to pay loss in connection with any claim covered under the "Underlying Insurance" as a result of the insolvency, bankruptcy, or liquidation of said insurer, then, solely with respect to Insuring Agreement I. (A) of the "Primary Policy", the Insurer shall follow form of the underlying difference in conditions provision of the "Underlying Insurance" issued by Federal Insurance Company Policy # 7043-0876.

If any "Underlying Insurance" bears an effective date which is prior to the effective date of this Policy and if any such insurance becomes exhausted or impaired by payment of loss with respect to any claim which shall be deemed to be made prior to the effective date of this Policy, then with respect to any claim made after the effective date of this Policy, the "Insured(s)" hereunder shall be deemed to have retained any loss for the amount of any such "Underlying Insurance" which is exhausted or impaired by payment of loss with respect to such claim made prior to the effective date of this Policy. Notwithstanding anything in this policy to the contrary, if with respect to any covered Claim the Limit(s) of Liability of the "Underlying Insurance" is reduced or exhausted by payments by the "Insureds" as provided in Section I (b) (i) above, then, subject to all other terms, conditions and exclusions under this policy, the unexhausted Limit of Liability under this policy applicable to such Claim shall be reduced by the largest percentage savings of the "Underlying Insurance's" Limit(s) of Liability as provided in the Limit Reduction Agreements applicable to such Claim.

3. For purposes of this Endorsement, a Limit Reduction Agreement is an agreement between the "Insureds" and one or more insurer(s) of the "Underlying Insurance" pursuant to which such insurer(s) agrees to pay a portion of its unexhausted Limit of Liability in exchange for a release from the "Insureds", provided the sole basis for such agreement and release is the compromise of good faith coverage issues under the "Underlying Insurance" and such basis does not relate to coverage issues, terms, conditions or premiums under any other policy.
4. Nothing in this Endorsement waives or amends the "Insureds" obligation to obtain the "Insurer's" consent with respect to incurring loss, as provided in the "Primary Policy".

**DISCLOSURE OF PREMIUM
(RELATING TO TERRORISM RISK INSURANCE ACT)
SCHEDULE***

Premium attributable to risk of loss from certified acts of terrorism for lines subject to TRIA:
\$5,750

*Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

A. Disclosure of Premium

In accordance with the federal Terrorism Risk Insurance Act of 2002 ("TRIA"), we are required to provide you with a notice disclosing the portion of your premium, if any, attributable to the risk of loss from terrorist acts certified under that Act for lines subject to TRIA. That portion of your premium attributable is shown in the Schedule of this endorsement or in the Declarations.

B. Disclosure of Federal Participation in Payment of Terrorism Losses

The United States Government, Department of the Treasury, will pay a share of terrorism losses insured under the federal program. The federal share equals 90% of that portion of the amount of such insured losses that exceeds the applicable insurer retention (85% for acts of terrorism in 2007).

C. Limitation of Liability and Termination of the Program

The Act currently provides for no insurance industry or United States government participation in terrorism losses that exceed \$100 billion in any one calendar year. The federal program established by the Act is scheduled to terminate at the end of December 31, 2007 unless extended by the federal government.

D. Availability

As required by TRIA, we have made available to you for lines subject to TRIA coverage for losses resulting from acts of terrorism certified under TRIA with terms, amounts and limitations that do not differ materially from those for losses arising from events other than acts of terrorism.

E. Definition of Act of Terrorism

TRIA defines "act of terrorism" as any act that is certified by the Secretary of the Treasury, in concurrence with the Secretary of State and the Attorney General of the United States:

1. to be an act of terrorism;
2. to be a violent act or an act that is dangerous to human life, property or infrastructure;
3. to have resulted in damage within the United States, or outside of the United States in the case of an air carrier (as defined in section 40102 of Title 49, United States Code) or a United States flag vessel (or a vessel based principally in the United States, on which United States income tax is paid and whose insurance coverage is subject to regulation in the United States), or the premises of a United States mission; and
4. to have been committed by an individual or individuals acting on behalf of any foreign person or foreign interest as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

But, no act shall be certified by the Secretary as an act of terrorism if the act is committed as part of the course of a war declared by Congress (except for workers' compensation) or property and casualty insurance losses resulting from the act, in the aggregate, do not exceed \$5,000,000.
